Unique and Authentic Travel Experiences

Ulu Muda Forest Reserve

The Ulu Muda is a hidden 170-million-year-old rainforest in Northern Malaysia. This unique hotbed for biodiversity spans 163,000 hectares, and hosts 321 species of birds and most of Malaysia's large mammals. On this adventure, you'll get to stay in a unique 14-room eco-lodge, with your days peppered by ventures into jungle trails, through rivers, over limestone hills, caves, all with experienced nature guides!

Northern Sabah Hidden Gem

Located at the foothills of Mt. Kinabalu, by the Kedamaian River, is the Tambatuon Village. It's a natural paradise surrounded by vast paddies and fruit orchards. Prepare to be charmed by the Dusun tribe, the biggest ethnic group in Sabah, as they invite you for home-cooked meals and heartwarming conversations.

Lemanak Iban Longhouse Homestay

Ngemah Longhouse at the Lemanak River is one among the very few remaining traditional longhouses in this region after a fire ravaged the entire longhouse in 1992. Now restored and preserved by DTH Travel, explorers have a rare chance to get an authentic look into the culture of the Iban people.

Shadow Puppet Workshop

Wayang Kulit is a dying art form, with less than 12 active puppeteers left in the country. In the past, it was performed during special celebrations for the Malay King, and now, you have an opportunity to learn from one of the last puppeteers, En Jefry. Visit his home in Balik Palau, try your hand at the craft, and walk around the small villages, rice fields, and fruit farms to learn more about local life.

Bako National Park

Bako National Park located an hour away from Kuching City, contains a rich variety of flora and fauna. Having been a protected area since 1957, expect to encounter wildlife that's less wary of people as you go on a trek or lounge on its beaches.

Locals Showing You How!

Meet Semai luminary 'Bah Bola' and his partner 'Major' Kalam as they work hard to improve the lives of the Batu 12 community in Gombak. Together with local educational institutions, they provide social responsibility programs to the local people.
